Teaching

Experience

SEP 2019 - **FULL-STACK WEB DEVELOPMENT GRADUATE**
Dec 2019 **Wyncode Academy, Miami, FL**

- Received training in programming languages (HTML, CSS, JavaScript, Ruby), web frameworks & libraries (Express, Ruby on Rails, Bootstrap, React), and project management (Git / GitHub, Agile methodology).
- Led collaboration with classmates (including UX/UI designers) to develop complex web applications and websites using the Agile methodology.
- Completed 350+ hours of staffed learning, 3,000+ lines of code.

Projects

WYNSTORE

<https://wynstore.herokuapp.com>

An e-commerce site for purchasing Wyncode Academy merchandise. Includes functionality for customers to browse by category, add items to cart, and checkout as a guest or saved user. Also allows admin users to manage orders and get detailed user information.

- Ruby on Rails front- and back-end.
- React for product detail carousel.
- Devise API for user management.
- Stripe API for payment processing.

VIDEOJUEGO!

<https://videojuego.herokuapp.com>

A web application for users to look up detailed information for any video game, as retrieved from the RAWG Video Games Database API.

- Axios for API calls.
- Materialize for front-end styling.
- Material-UI for modal pop-ups.
- Heroku for hosting.

Work History

AUG 2016 - **MIDDLE SCHOOL ENGLISH TEACHER (NOVA MIDDLE)**
SEP 2019 **Broward County Public Schools, Broward, FL**

- Created & implemented lesson plans to meet all Florida ELA standards for Grade 6 students in a Title 1 school.
- Promoted continuous development and creative, critical, and evaluative thinking across all students.
- Recognized for high learning gains in the 2016 6th Grade FSA ELA exam: Average 49% gain for regular students (48% for lowest quartile); 65% for advanced students (57% for lowest quartile).
- Led and collaborated with other teachers during Professional Learning Community meetings to establish new ideas, which kept the curriculum fresh and meaningful to students.
- Assisted in the production of the school's literary fair each year.

FEB 2011 - **SALES SUPPORT REPRESENTATIVE**

AUG 2016 **AT&T Inc., Broward, FL**

- Lead back-end operations and maintained product quality assurance.
- Effectively guided the store to passing every annual audit.
- Kept up to date on latest company products & services and pairing them effectively with individual customer needs.
- Executed audits of daily sales activities and product inventory.
- Streamlined the customer experience by supporting rapid-turnaround sales and customer service issues.

JUL 2009 - **CUSTOMER SERVICE REPRESENTATIVE / ADMINISTRATIVE ASSISTANT**

SEP 2010 **Gemco Fireplaces & Wholesale Heating Products, Edmonton, AB, Canada**

- Maintained database for service calls.
- Fielded service calls and orchestrated a team of fireplace repair subcontractors.
- Processed accounts receivable paperwork and maintained an orderly file system.
